Julie story's public exposure to end
Satellite to BBC 7/14/73
He hiding behind her skirts "If you perhaps agreeing
your heart ... he cannot stay more than he
has need ... eager to appear not but be cast ...
(What stops him?)
Druid: "you can take a certain measure of
pride that if the generations are not learning
anymore, they are learning about" - the country
Cant.
Julie asks how can he stay mute with not
hurting others
How did he get known as trusty - Debbie - she
does not, but did not know he was so known.
"I promise my father is innocent. I believe his
statement." (Special the word reductions)
Lilly: "I don't like to see it with my father & his
political campaign ..." Nothing like it in his 25 years.
He has run all his political campaigns based on their
one. Druid post from Lilly as fight for left
wing.
Julie's hunt goes out to communists because they
didn't mean wrong
1912 "You won't have right to take command any more"
"It would have been a great loss" the days of the boss
Run first politics
